# OLD NAVY'S HOLIDAY COLLECTION MAKES WINTER THE YEAR'S MOST STYLISH SEASON YET.

Holiday 07

## **SAN FRANCISCO, OCTOBER 23, 2007**

Old Navy is taking a modern approach to holiday trends with new silhouettes and sparkling embellishments. On the fashion front, Old Navy introduces the new wide-leg silhouette in many styles of jeans and pants, and adds chic trimmings to outerwear and accessories for extra holiday sparkle. And for everyone on your holiday gift list, Old Navy offers gifts that will warm, pamper, play, and delight.

**Gifts that Warm** Old Navy turns up the heat this winter with smart and stylish outerwear. Wool coats with toggle closures are the "it" piece for Holiday 2007. Old Navy's long toggle coat (\$98.00) and cropped hooded pea coat (\$78.00) should be in every woman's closet this winter. Spice up any look with a fur-trim swing coat (\$36.50) or nylon fur bomber (\$68.00). Layer in a cashmere sweater to warm and delight (\$59.50-\$69.50). Men's wool frost free vests (\$49.50) offer a modern take on a classic silhouette.

**Gifts that Pamper** Give the gift of indulgence with a cozy robe (\$34.50). Paired with a printed chemise (\$19.50) and some cozy slippers (\$12.50-\$16.50), you'll be inspired to add these items to your wish list too. Knit sleepwear gift sets (\$25.00) make it easy to outfit a friend for some snuggling by the fire.

**Gifts that Play** Old Navy's wide-sleeve sailor jacket (\$29.50) makes a great gift for the girl on the go. Style it with a pair of wide-leg sailor pants (\$22.50) and a nautical hooded pullover (\$16.50) for this season's sporty look.

**Last-Minute Gifts** Don't forget those last minute gifts for the loved ones on your list. Pick up candles (\$14.50), bath/body gift sets (\$14.50), and hand wash/lotion gift sets (\$14.50). Any man would love to unwrap cozy accessories like comfy suede moccasins (\$19.50), sherpa-lined caps (\$12.50), and woolen scarves and gloves (\$12.50-\$14.50).

The holidays aren't just for gifting; it's a great time to show off your new winter wardrobe. Treat yourself to these new fashion trends and turn heads on the holiday party circuit.

**Wide-Leg Chic** Style mavens be on the lookout for wide leg silhouettes. Old Navy offers this modern profile in denim

trousers (\$34.50), dressy pants (\$32.50), and casual twill pants (\$29.50). Pair cozy cashmere sweaters (\$59.50-\$69.50) or textured cardigans (\$34.50) to any of these wide-leg silhouettes and your look is complete.

**Trimming Trend** Last season's trend to bring menswear trimmings into women's fashion is still going strong, but satin tuxedo details, sequins, and velvet trims take it up a notch for the holiday season. Add a touch of elegance to traditional styles by mixing up your wardrobe with ruffle French cuff tops (\$24.50), velvet trimmed chemises (\$16.50), and ribbon and satin details on ballet flats (\$19.50).
